

Your Impact 2024 Q1/Q2

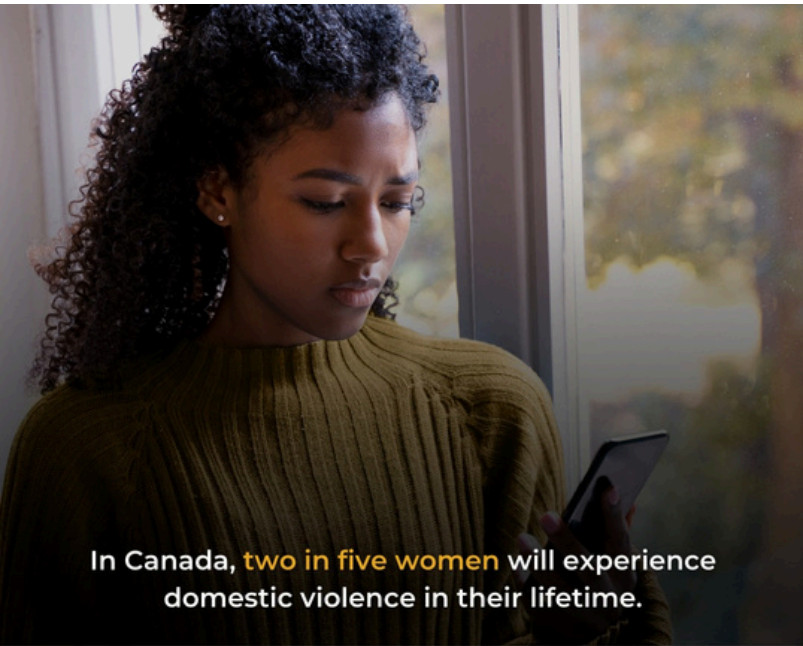

When we received the call from Nathan regarding a potential donation of food for the shelter we were excited to accept the opportunity. When arriving and seeing what Irving Shipbuilding Inc. was donating to us we were overwhelmed with gratitude. Donations such as this have a large positive impact on those who use our services. This donation will supplement about 1 month of meals to those who stay at the shelter. 3 meals a day X 40 people, that's over 3600 meals your donation has helped us provide to those and their children who use the services at Bryony House.

THANK YOU

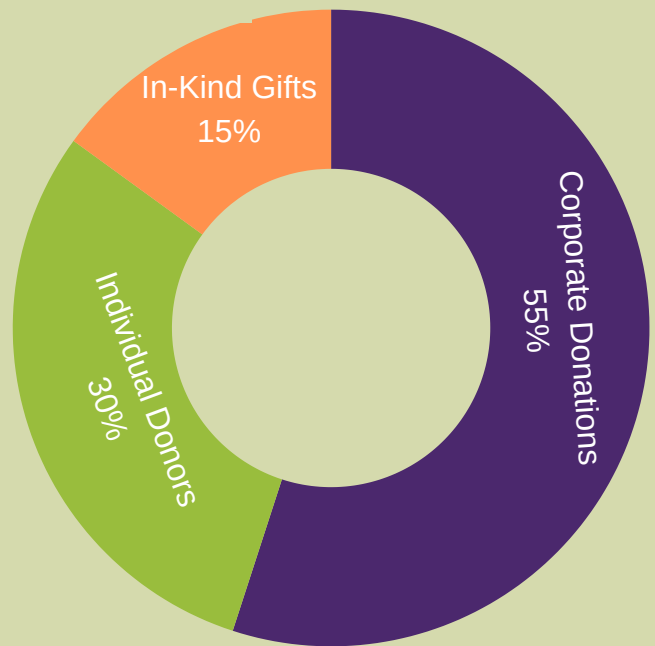

THANK YOU to the Telus Friendly Future Foundation for supporting the Youth who use the services at Bryony House. Working together to make a positive impact on the youth who have experienced trauma from witnessing IPV. Watch for updates on the roll out of this new initiative.
